The theme is 'the 20s' and to help bring this alive we want to encourage everyone to dress up 'Great Gatsby style'. Questions will have a particular focus on the last 20 years. This is a wonderful opportunity to invite friends and neighbours for a night of fun. Sign up via this link: Click here. It would be great if you could form a team and advise us of your team name when you sign up. If you do not have a team, please sign up anyway and we will form some teams. ### Alpha Online

Alpha is a space to explore questions of life and faith in relaxed and open environment. We will be connecting on Zoom and using the Alpha Film Series as we journey together. Alpha is designed for those who would not currently say they are Christians and are open/intrigued to find out more. It is also helpful for those who are Christians to take a fresh look at faith. Everyone is welcome! To sign up simply head to the St Paul's website or email Ben Strain ben@stpaulsealing.com or Tim Radcliffe tim@stpaulsealing.com

### Alpha 21 Days of Prayer

In the run up to the start of Alpha at St Paul's we are launching 21 days of prayer from Sunday 10 January to Sunday 31 January. This is to pray for those we know who don't yet have faith and for evangelism across the country. You are invited to join in this initiative by thinking of 3 people you want to pray for and then setting an alarm for 11.02am each day to pray for a moment wherever you are. The time 11.02 reminds us of Luke 11:2 where Jesus encourages his followers to pray 'Your Kingdom Come'. We are invited to pray 'Your Kingdom Come' in the lives of our 3 people and for our country.

Contact / Ben Strain or Tim Radcliffe

### Alpha Prayer WhatsApp Group

We have a WhatsApp group set up specifically to pray for Alpha whilst it runs. If you would like to be part of that let Ben Strain or Tim Radcliffe know. Contact / Ben Strain or Tim Radcliffe

### Sound and AV Team Urgently Needed

We are in great need of more production team in this season, especially on sound and AV. You will be fully trained by John or David. If you have had previous experience in these areas then excellent, but previous experience is not required; although operating live sound does require a musical ear for mixing purposes and some technical capabilities to operate the sound desk itself. Operating the AV PC is straightforward and the presentation software is easy to use, so if you feel like you could serve in this way over the coming months we'd love to have you on board! Please do get in touch with John Murphy or David Cervera / john@stpaulsealing.com or david@stpaulsealing.com

### Appeal for Laptop & tablet donations

If you, your workplace or other contacts can donate some new, old, unwanted or refurbished laptops/tablets, please let Simon know. There are families at a school in Southall who are in desperate need of a suitable device. Your donation will help their children to learn and complete their daily remote learning. For more info contact Simon Richardson via simon@stpaulsealing.com

## St Paul's Wholeness Centre

### Counselling and Therapy Opportunities

We have currently ceased to offer all face to face therapy and counseling until restrictions ease, which we hope will be in the not too distant future.

We are able to provide, however, to have been able to move to a 'remote' counseling and therapy service (telephone/other internet-based platforms) for those who are currently receiving support through the Centre and this is working well for many of our clients.

If you are looking for therapeutic support at this time and are interested in exploring whether this remote way of working might suit you, then an initial appointment will help you decide. We invite you to, therefore, according to our referral process, to send an email to the Wholeness Centre Administrator, Jacqui Hawkins via wholeness@stpaulsealing.com. You will then receive an application form to complete, and once we have reviewed your referral and deemed it suitable for our service, we will contact you to offer an initial appointment.
